Dr. Larry Peevy is the President and Head of School – and also a TU member!
They have warmly welcomed us to their campus, and we are excited to have a new home at TFS! All our workshops and fly-tying will be on campus. Meals will be in the dining hall or onsite if we are traveling.

- 4) We will post the final schedule on the Web in mid-May. The Wednesday work project with the USFS will be at Martin Creek as last year – near Finney Creek off Warwoman Road.
- 5) Thanks for coming – we need you! Eat your Wheaties!
