Dr. Larry Peevy is the President and Head of School - and also a TU member. They have warmly welcomed us back to their campus; we have had an excellent experience at TFS and are grateful for their hospitality. All our workshops and fly-tying will be on campus. Meals will be in the dining hall or onsite if we are traveling.

We will release the final schedule in mid-May.

Thanks for coming - we need you! Eat your Wheaties!
